

MESSAGE FROM THE
EXECUTIVE DIRECTOR

We here at Hope Rescue Mission have several key concepts that we live by. One of them is Biblical Hope. The Kingdom of Jesus' hope is not a false reality of the future. Hope is walking with the strength of others into a better, and real, future. In this newsletter you will read a life-giving testimony of one who found HRM's Jesus centered hospitality. "...**Therefore I have hope...**"

I have

HOPE

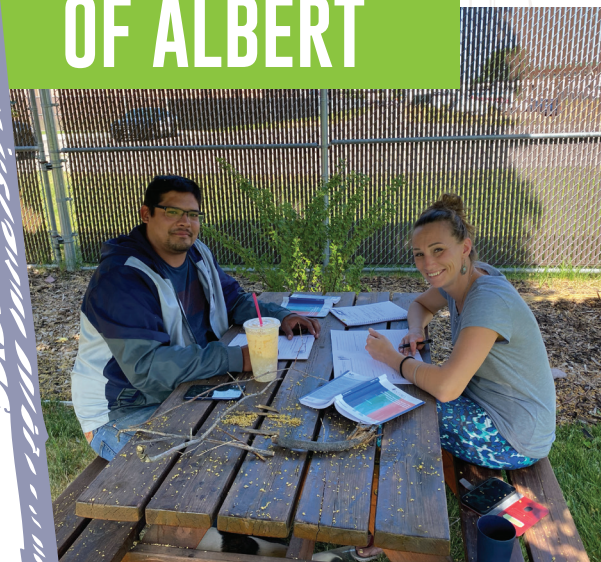

"I found TSOS by accident and I'm glad I took the chance! Less than one year go and for many years before, EVERYTHING seemed so unobtainable. My life was in a constant spiral with no direction, purpose, or hope. I was in and out of jail weekly, stealing food and beer, jumping from state to state, town to town, begging for money and work.

NOT ANYMORE!! TSOS and the staff provided me with structure, support, and an opportunity that I cannot compare to anything I have experienced in my 34 years. I've been able to slow down and process everything that has happened. I sought out therapy and confronted my traumas and addictions. Since entry into TSOS, I paid off all debts and fines, raised my credit score, opened a bank account, and became financially stable. I bought a new motorcycle and got my motorcycle license. All of which seemed so unobtainable.

I'm glad I found TSOS. It saddens me to leave early but I am walking away a changed man with a whole new set of life skills and experience...and a motorcycle.
THANK YOU!"
